Re: An Garda Síochána Operating Model – Changes in the Louth, Cavan, Monaghan Division

I refer to the above entitled matter.

The purpose of this correspondence is to provide you with details of upcoming changes to the Louth, Cavan, Monaghan Division, arising from the phased implementation of An Garda Síochána's Operating Model.

The Operating Model is a key element of the transformation programme "*A Policing Service For our Future*". The Operating Model is restructuring Divisions to put community policing at the centre of the Division. Each Division will be comprised of four Functional Areas: Community Engagement, Crime, Performance Assurance and Business Services.

The Louth, Cavan, Monaghan Division has already introduced the Business Services Functional Area, which has reduced the amount of administrative activities held by operational Members. Continuing on from this, we are due to introduce the remaining Functional Areas during the 3rd of December, 2023.

Each Functional Area is led by a Superintendent, with the exception of the Business Services Functional Area which is led by an Assistant Principal.

Please note the updated contact details overleaf for the relevant Functional Areas and Leads:

Functional Area	Functional Area Lead	Section Mailbox	Telephone number
Louth South Community Engagement	Superintendent Andrew Watters	LCM.LouthSouth.CE@garda.ie	041 9874216
Louth North Community Engagement	Superintendent Charles Armstrong	LCM.LouthNorth.CE@garda.ie	042 9388416
Monaghan Community Engagement	Superintendent Patrick O'Connell	LCM.Monaghan.CE@garda.ie	047 77216
Cavan Community Engagement	Superintendent Shaun Grant	LCM.Cavan.CE@garda.ie	049 4368807
Performance Assurance	Superintendent Ronan Carey	LCM.PAFA@garda.ie	042 9690197
Crime	Detective Superintendent Gordon Englishby	LCM.Crime@garda.ie	042 9694577
Business Services	Assistant Principal Rosemarie Conboy	LCM.BServices@garda.ie	047 77211

Under the Operating Model, all Garda Stations and former Districts have been aligned to a Community Engagement Functional Area, as listed below:
