We are mad about singing! Following the success of our online singing sessions for primary school children earlier in the year, we are back again with more great opportunities to sing. This time, we are inviting everyone in the family, young and old, to join in on the fun and to get singing with us. Family Song Time is part of Ireland's national Bealtaine Festival 21 celebrating the arts and creativity as we age. Taking place across the month of May, we have more great songs for boys and girls to sing as well as a special collection of songs for parents and grandparents to enjoy! Older brothers and sisters are very welcome too of course.

*Our 3.30pm-4pm sessions will focus on younger age group (junior infants through to second class primary and their adult relatives) and the 4.15-5pm sessions will focus on older children (third to sixth class primary and their adult relatives).

What a fantastic way to connect with those we love, near and far!

The sessions will be crafted to suit each age group so please ensure you sign up for the correct group as outlined above. We look forward to seeing you all!

This Project has been co-funded by the Music Generation/Arts Council Partnership. It is a joint initiative between Sing Ireland, Music Generation Programmes in Counties Leitrim, Louth, Offaly Westmeath and Roscommon.
